

East End Counselors Association

Attend our Spring 2022 College Fair

During the Fair, more than 100 college and university representatives will be available to talk with students and parents about the unique opportunities at their institutions.

Not clear on where to start? East End Counselors will be available with information on how to find your best college fit and direct you to colleges participating in the Fair.

Information About our Spring Fair

Parents and Students are encouraged to contact their School Counselor for more information about the fair.

College Representatives interested in participating in the fair should contact:

Caroline Stuke at cmstuke68@gmail.com
