After much consideration, The East End Counselors Association will hold our annual in-person college fair on Thursday, October 14, 2021, at Riverhead High School from 5:00 pm — 7:00 pm. Masks are required and Covid-19 protocols, in place at Riverhead High School, will be observed.

The Following colleges and universities will be in attendance. We expect this list to grow. Check with your school counselor for updates.
